

**ViewSonic®**  PROJECTOR

# M1 mini Plus

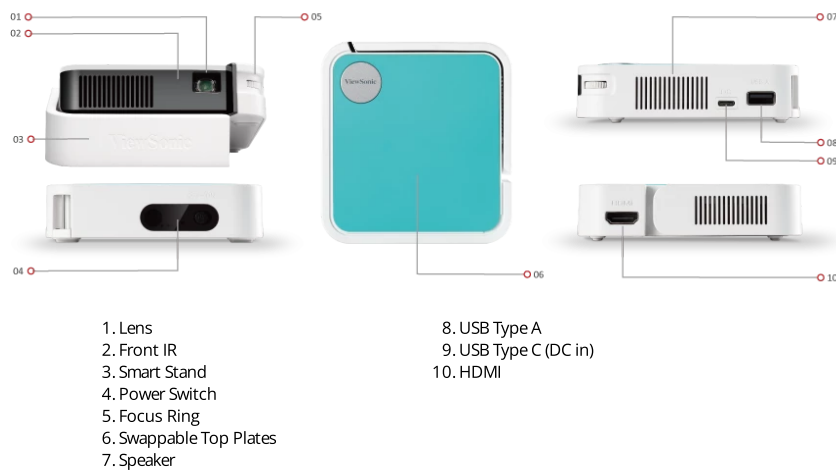

## Key Features

- Smart stand design allows ceiling projection
- Swappable plates to suit your mood
- Embedded JBL speaker for sensational audio
- Built-in battery for endless fun anywhere
- Smart Wi-Fi and Bluetooth connectivity

## Product Description

The ViewSonic M1 mini Plus is a lightweight smart pocket cinema which delivers convenient audio-visual entertainment anywhere you go. It is equipped with built-in JBL speakers and battery, that can also be charged by a power bank for easy outdoor or on the go use. Its adjustable stand offers flexible projection angles that can satisfy any viewing needs - even ceiling projection. Equipped with smart Wi-Fi and Bluetooth connectivity, it enables wireless casting from smart devices, built-in content streaming, and audio amplification for an even easier set up and use. With 120 LED lumens and swappable coloured top for customisation, the ViewSonic M1 mini is the ideal personal pocket cinema to enjoy your daily entertainment.
